Tomcat Green Blocks 500g \$18.50

Tomcat Green Blocks 1.8kg \$55.00

Tomcat Red Blocks 800g \$32.95

Timothy Grass Hay

Timothy's high fibre, low protein, low calcium content is credited with helping prevent obesity, maintaining a healthy urinary system and improving health.

425g \$16.95

1.3KG \$33.00

Adult Guinea Pig Food

High fibre, low calcium, low protein pellets for adult guinea pigs. Super high fibre Timothy grass hay-based pellets with stabilised vitamin C, designed to meet the nutritional needs of adult guinea pigs (over 6mths old, not gestating or lactating)

\$22.50 2.25kg

Adult Rabbit Food

Low calcium, low protein, 25% fibre pellets to meet the nutritional needs of mature rabbits (over one year, not gestating or lactating). A healthy option with no undesirable corn, nuts or fruit!

\$21.25 2.25kg

Young Guinea Pig Food

Cavey performance is specifically designed to meet the particular

nutritional needs of young, pregnant & nursing guinea pigs. During these stages guinea pigs require more protein, calcium & energy. Lucerne hay, Vitamin C & other fortified ingredients are combined to meet those particular needs.

\$20.50 2.25kg

Young Rabbit Food

15% protein & 23% fibre. A lucerne hay base provides more energy protein and calcium when they need it. Can also be fed to older rabbits which are having problems maintaining weight due to age or illness. When supplemented with free choice grass hay, may also be fed to gestating or lactating rabbits.

\$19.95 2.25kg

HEAVY DUTY CONCRETE DOG BOWLS

Rectangular \$35.50

Round \$32.95

ABOUT OXBOW ANIMAL HEALTH

Based on a family farm in the middle of rural Nebraska USA, Oxbow is a worldwide supplier of premium life-staged feeds and supportive care products for small herbivores. Oxbow's products are used and recommended by top exotic animal veterinarians worldwide.

Oxbow focuses on education and proper nutrition for these pets with constant emphasis on high fibre diets and grass hays constantly available in their habitat. The Oxbow product range is built around premium quality grass hays (soft, green, fresh) and super high fibre, pelleted diets, including adult maintenance diets for rabbits and guinea pigs made with nutritionally superior, custom made Timothy grass meal rather than that more commonly found Lucerne (Alfalfa) meal.

The veterinary community widely promotes the use of grass hays (including Timothy) because they have found them to be the healthiest combination of fibre, calcium and protein levels for adult pet herbivores.

Professional Advisory Board

Oxbow's Advisory Board consists of the top exotic veterinarians, nutritionists and research professionals. They specialise in zoo, non traditional animal health care and nutrition. The Oxbow Advisory Board members are recognised international leaders in exotic animal science. They have published over 100 peer reviewed articles in scientific publications, and presented these topics at more than 200 scientific conferences and meetings on exotic animal science.

References and Recommendations

Oxbow Products are currently recommended in a growing list of veterinary textbooks and journals including:
Rabbit and Rodent Dentistry (V Capello) / Rabbit, Rodents & Ferrets (Quisenberry, Carpenter) / Biology & Medicine of Rabbits & Rodents (Harkness, Turner, VandeWoude, Wheeler) / BSAVA Manual of Rodents & Ferrets (Keeble, Meredith) / The 5 Minute Veterinary Consult: Rabbit and Ferret (B Oglesbee) / Clinical Radiology of Exotic Mammals (V Capello, A Lennox) / BSAVA Manual of Rabbit Medicine and Surgery, 2nd Ed (Meredith, Flecknell) / Exotic Animal Formulary (Carpenter) / The Veterinarian (Australia), various articles (D Vella, C Brown)
Saunders Manual of Small Animal Practice (SJ Birchard, RG Shering) / British Small Animal Vet Association, Manual of Reptiles, 2nd edition / Veterinary Clinics of North America - Exotic Animal Practice, Exotic Pet Management for the Technician (M Schulte, A Rupley) / Exotic DVM Magazine (numerous issues)
