**Timothy Grass Hay**

Timothy's high fibre, low protein, low calcium content is credited with helping prevent obesity, maintaining a healthy urinary system and improving health.

**425g \$16.95**  
**1.3KG \$33.00**

**Adult Guinea Pig Food**

High fibre, low calcium, low protein pellets for adult guinea pigs. Super high fibre Timothy grass hay-based pellets with stabilised vitamin C, designed to meet the nutritional needs of adult guinea pigs (over 6mths old, not gestating or lactating)

**\$22.50 2.25kg**

**Adult Rabbit Food**

Low calcium, low protein, 25% fibre pellets to meet the nutritional needs of mature rabbits (over one year, not gestating or lactating). A healthy option with no undesirable corn, nuts or fruit!

**\$21.25 2.25kg**

**Young Guinea Pig Food**

Cavey performance is specifically designed to meet the particular nutritional needs of young, pregnant & nursing guinea pigs. During these stages guinea pigs require more protein, calcium & energy. Lucerne hay, Vitamin C & other fortified ingredients are combined to meet those particular needs.

**\$20.50 2.25kg**

**Young Rabbit Food**

15% protein & 23% fibre. A lucerne hay base provides more energy protein and calcium when they need it. Can also be fed to older rabbits which are having problems maintaining weight due to age or illness. When supplemented with free choice grass hay, may also be fed to gestating or lactating rabbits.

**\$19.95 2.25kg**

**HEAVY DUTY CONCRETE DOG BOWLS**

**Rectangular \$35.50**

**Round \$33.95**

**Rabbit Hutch GP205**

**Rabbit Hutch GP202F**
